### Three More Positive COVID-19 Cases Confirmed

We have received notice of 3 additional positive cases of COVID-19 in Pacific County.

The individuals are self-isolating and close contacts of the individuals are currently being contacted by our public health nurses with instructions to quarantine per DOH guidelines. This initial investigation has revealed that these positive cases are linked to the cases already reported in Astoria, Oregon at Bornstein Seafood Company.

We continue to encourage the public to maintain social distancing by staying at home except for essential business and practice personal protective measures to include, washing hands often with soapy water for at least 20 seconds, avoid touching your face, and wearing a face covering in public.
