8th Positive COVID-19 Case Confirmed

We have received notice of an additional positive case of COVID-19 in Pacific County. The individual is self-isolating and close contacts of the individual are currently being contacted by our public health nurses with instructions to quarantine per DOH guidelines. This initial investigation has revealed that this positive case is also linked to the other cases previously reported in Astoria, Oregon at Bornstein Seafood Company.

We continue to encourage the public to maintain social distancing by staying at home except for essential business and practice personal protective measures to include, washing hands often with soapy water for at least 20 seconds, avoid touching your face, and wearing a face covering in public.
