Two Additional Positive COVID-19 Cases in Pacific County

Pacific County Health and Human Services received notice of two positive cases of COVID-19 in Pacific County. These cases are in addition to the 86 previously reported cases for a total of 88 cases. There are currently 11 active cases being monitored by public health nurses. Eight cases are confirmed and three cases are probable.

One case is between 40-50 years old and the other case is between 10-20 years old. The two cases are connected to the same household and are isolating at home. Case investigations and contact tracing are on-going.

Pacific County Health and Human Services strongly encourages the public to limit non-essential travel, maintain social distancing of at least six feet between persons, and practice personal protective measures to include: correctly wearing a mask/face covering in public, washing hands often with soapy water for at least 20 seconds, and avoid touching your face. For up to date information and guidance, please monitor the Pacific County Health and Human Services Facebook page or visit: www.pacificcountycovid19.com.
