### **10<sup>th</sup> Positive COVID-19 Case Confirmed**

We have received notice of an additional positive case of COVID-19 in Pacific County. This positive case is in addition to the 9 previously reported cases for a total of 10 cases.

The individual is a resident of Willapa Harbor Health and Rehabilitation, is asymptomatic, and has been in isolation since test results were reported. All other residents of the facility have tested negative. Staff testing is scheduled to begin on June 9<sup>th</sup>, 2020. To be connected directly to the Willapa Harbor Health and Rehabilitation, please visit <https://www.avalonhealthcare.com/willapa/> or <https://ahcupdates.info/willapa-covid-19-update/> for COVID-19 updates.

The positive case is a result of a state-wide directive from Washington's Secretary of Health, John Wiesman, to conduct a survey test all residents and staff of long-term care facilities and assisted living facilities with memory care units by June 12<sup>th</sup>, 2020.

The Pacific County Health and Human Services Department will continue to investigate this most recent case and strongly encourages the public to maintain social distancing by limiting non-essential travel, and practice personal protective measures to include, washing hands often with soapy water for at least 20 seconds, avoid touching your face, and wearing a face covering in public.
