19th Positive COVID-19 Case Confirmed

We have received notice of an additional positive case of COVID-19 in Pacific County. This positive case is in addition to the 18 previously reported cases for a total of 19 cases. This is the only confirmed positive case being monitored by public health nurses. The individual was a close contact to previously identified positive cases that resulted from a family gathering and has been in isolation.

Pacific County Health and Human Services strongly encourages the public to limit non-essential travel, maintain social distancing of at least six feet between persons, and practice personal protective measures to include: correctly wearing a mask/face covering in public, washing hands often with soapy water for at least 20 seconds, and avoid touching your face. For up to date information and guidance, please monitor the Pacific County Health and Human Services Facebook page or visit: www.pacificcountycovid19.com.
