

2020 Youth Leadership Forum Supplemental Application

The Youth Leadership Forum is moving forward to hold this year's event in a combined online/in-person manner. YLF will begin, as planned, during the week of July 27, 2020 for delegates (counselors and staff will begin on July 25, 2020, or earlier). Because we will be conducting a portion of YLF online, we will spread these activities out over a few weeks. As the current public health crisis allows, we may include in-person activities in smaller size groups geographically dispersed. Our intention to hold the final portion of 2020 Youth Leadership Forum in-person at a yet-to-be-determined location on a weekend in last quarter of 2020 or first quarter of 2021. Delegates that cannot attend the final weekend will still graduate from YLF and be eligible to apply for a Peer Counselor position at a later date.
