*Pacific County is an Equal Opportunity Employer*

A significant number of positive cases have resulted from a congregate work facility. Pacific County Public Health and Human Services is working with the facility to ensure testing of employees and compliance of required safety practices.

Pacific County Health and Human Services strongly encourages the public to limit non-essential travel, maintain social distancing of at least six feet between persons, and practice personal protective measures to include: correctly wearing a mask/face covering in public, washing hands often with soapy water for at least 20 seconds, and avoid touching your face. For up to date information and guidance, please monitor the Pacific County Health and Human Services Facebook page or visit: [www.pacificcountycovid19.com](http://www.pacificcountycovid19.com).
