Four Additional Positive COVID-19 Cases in Pacific County

Pacific County Public Health and Human Services received notice of four positive cases of COVID-19 in Pacific County. These cases are in addition to the 155 previously reported cases for a total of 159 cases. There are currently 42 active cases being monitored by public health nurses. 34 cases are confirmed and eight cases are probable. Case investigations and contact tracing are on-going.

The individuals are:

- A male between 30-40 years old, linked to a workplace exposure
- A female between 50-60 years old, linked to a workplace exposure
- A male between 60-70 years old, linked to a medical screening
- A female between 70-80 years old, linked to out of county travel
-

All cases are isolating at home. Case investigations and contact tracing are on-going.

Pacific County Health and Human Services strongly encourages the public to limit non-essential travel, maintain social distancing of at least six feet between persons, and practice personal protective measures to include: correctly wearing a mask/face covering in public, washing hands often with soapy water for at least 20 seconds, and avoid touching your face. For up to date information and guidance, please monitor the Pacific County Health and Human Services Facebook page or visit: www.pacificcountycovid19.com.
