Five Additional Positive COVID-19 Cases in Pacific County

Pacific County Health and Human Services received notice of five positive cases of COVID-19 in Pacific County. These cases are in addition to the 107 previously reported cases for a total of 112 cases. There are currently 17 active cases being monitored by public health nurses. Sixteen cases are confirmed and one is probable.

The Individuals are:

- Female, between 10-20 years old, linked to a positive case in the same household
- Male, between 30-40 years old, linked to out of county travel
- Female, between 30-40 years old, linked to out of county travel
- Male, between 30-40 years old, linked to a positive case in the same household
- Female, between 50-60 years old, linked to exposure from an out of county resident

All cases are isolating at home. Case investigations and contact tracing are on-going.

Pacific County Health and Human Services strongly encourages the public to limit non-essential travel, maintain social distancing of at least six feet between persons, and practice personal protective measures to include: correctly wearing a mask/face covering in public, washing hands often with soapy water for at least 20 seconds, and avoid touching your face. For up to date information and guidance, please monitor the Pacific County Health and Human Services Facebook page or visit: www.pacificcountycovid19.com.
