18th Positive COVID-19 Case Confirmed

We have received notice of an additional positive case of COVID-19 in Pacific County. With this additional case, Pacific County has 18 confirmed positive cases with 5 being active.

The individual is self-isolating and close contacts of the individual are currently being contacted by our public health nurses with instructions to quarantine per DOH guidelines. Through contact tracing, this individual was identified as a close contact to the five cases reported earlier this week.

These six cases were a result of a family gathering. Public health officials would like to emphasize the importance of limiting personal exposure and encourage the public to maintain social distancing by limiting non-essential travel, and practice personal protective measures to include, washing hands often with soapy water for at least 20 seconds, avoid touching your face, and wearing a face covering when required and appropriate.

For up to date information and guidance about how to keep yourself and your family healthy, please visit: www.pacificcountycovid19.com.
