Six Additional Positive COVID-19 Cases in Pacific County

Pacific County Health and Human Services received notice of six positive cases of COVID-19 in Pacific County. These cases are in addition to the 68 previously reported cases for a total of 74 cases. There are currently 17 active cases being monitored by public health nurses. Of the 17 cases, 14 are confirmed and three are probable.

Five of the cases are connected to family gatherings following travel. The sixth case was diagnosed out of county, and the case investigation is on-going.

Of the six cases, two cases are between 30-40 years old, one case is between 50-60 years old, two cases are between 60-70 years old, and one case is over 80 years old. All in-county cases are isolating at home.

Pacific County Health and Human Services strongly encourages the public to limit non-essential travel, maintain social distancing of at least six feet between persons, and practice personal protective measures to include: correctly wearing a mask/face covering in public, washing hands often with soapy water for at least 20 seconds, and avoid touching your face.
