Six Additional Positive COVID-19 Cases in Pacific County

Pacific County Public Health and Human Services received notice of six positive cases of COVID-19 in Pacific County. These cases are in addition to the 159 previously reported cases for a total of 165 cases. There are currently 52 active cases being monitored by public health nurses. 40 cases are confirmed and 12 cases are probable. Case investigations and contact tracing are on-going.

The individuals are:

- A female between 20-30 years old, linked to a workplace exposure
- A female between 20-30 years old, linked to social interaction
- A male between 30-40 years old, linked to social interaction
- A male between 60-70 years old, linked to social interaction
- A male between 70-80 years old, linked to social interaction
- A Female between 40-50 years old, unknown exposure

All cases are isolating at home. Case investigations and contact tracing are on-going.

Pacific County Health and Human Services strongly encourages the public to limit non-essential travel, maintain social distancing of at least six feet between persons, and practice personal protective measures to include: correctly wearing a mask/face covering in public, washing hands often with soapy water for at least 20 seconds, and avoid touching your face. For up to date information and guidance, please monitor the Pacific County Health and Human Services Facebook page or visit: www.pacificcountycovid19.com.
