2 Additional Positive COVID-19 Cases Confirmed

Pacific County Health and Human Services received notice of two positive cases of COVID-19 in Pacific County. These positive cases are in addition to the 30 previously reported cases for a total of 32 cases. There are currently 11 active cases being monitored by public health nurses.

Of the two cases, one is a close contact of an individual previously disclosed as a positive case and has been released from the hospital to isolate at home. The other individual is isolating at home.

Pacific County Health and Human Services will continue to investigate these most recent cases and strongly encourages the public to limit non-essential travel, maintain social distancing of at least six feet between persons, and practice personal protective measures to include: correctly wearing a mask/face covering in public, washing hands often with soapy water for at least 20 seconds, and avoid touching your face. For up to date information and guidance, please monitor the Pacific County Health and Human Services Facebook page or visit: www.pacificcountycovid19.com.
