### Six Additional Positive COVID-19 Cases in Pacific County

Pacific County Health and Human Services received notice of six positive cases of COVID-19 in Pacific County. These positive cases are in addition to the 34 previously reported cases for a total of 40 cases. There are currently 15 active cases being monitored by public health nurses, 13 confirmed cases and two probable cases. Of the six reported cases, four cases are north county residents and two cases are south county residents.

Four cases are close contacts of individuals previously disclosed as positive cases. Two cases are 0-19 years old. Two cases are 20-39 years old. One case is 60-79 years old, and one case is 80+ years old. All cases are isolating at home.

Pacific County Health and Human Services strongly encourages the public to limit non-essential travel, maintain social distancing of at least six feet between persons, and practice personal protective measures to include: correctly wearing a mask/face covering in public, washing hands often with soapy water for at least 20 seconds, and avoid touching your face. For up to date information and guidance, please monitor the Pacific County Health and Human Services Facebook page or visit: [www.pacificcountycovid19.com](http://www.pacificcountycovid19.com).
