# Case Update and Case Counting

## **Case Update**

Case 11: Out of County, but permanent residence in Pacific County

Case 12: Out of County, but permanent residence in Pacific County

## **Case Counting**

All communicable disease tracking, including COVID-19, is done by a person's permanent residence.

Public health departments have to work together to make sure proper case and contact tracing management occurs to limit the spread of disease.

It is not a perfect system and does impact our data as stated, but it does create a standard to ensure all cases are identified and managed.

# Testing Update

## North County Testing

Willapa Harbor Hospital

Monday-Friday, 11:00am to 1:00pm

No Appointment needed.

All testing types (charge may apply for asymptomatic testing)

Call for Questions: (360) 875-4566

## South County Testing

Drive Through Testing (symptomatic) is still available by calling the Pacific County Emergency Operations Center to be screened for an appointment: (360) 642/875-9407.

North County Drive Through Testing:

3 months active, Deactivated as of 6/16/2020

If/when re-activation is necessary, we will be ready.

THANK YOU to those that continued to show-up week after week and perform their duties, contributing to the success of each testing event: South Bend Fire Department, South Bend Police Department, Pacific County General Administration, Pacific County Health and Human Services, Pacific County Department of Public Works, Willapa Harbor Hospital, Shoalwater Bay Medical Clinic, and our dedicated Volunteers.

**THANK YOU!**

# Update on 4<sup>th</sup> of July

The county and city have jurisdiction over the approaches, the state has jurisdiction over the beaches and the use of personal fireworks. The city of Ilwaco and City of Long Beach have cancelled their professional fireworks shows. The County will not be closing the beach approaches and the state will not be closing the beaches (or restricting use of personal fireworks). We ask that people who choose to visit the beach on the 4th do so safely and responsibly by:

- Observing physical distancing protocols in all outdoor activities, including on the beach.
- Spread out- Large groups of people from different households should not congregate together.
- Wear a mask when in public and wash your hand frequently.
- If you or a member of your family is ill, please do not visit the beach
- Clean up after yourself- If you pack it in, pack it out!
- All fires must be at least 100 feet away from dune vegetation, smaller than 4 feet in diameter or height and controllable and extinguished (with water - not buried) before leaving
- Keep fireworks in legal areas and put them out (with water, not burying) before disposing of them.

# Schools Reopening Workgroup
