

Neighbor to Neighbor...

Think of it as a bandage...something to stop the bleed
until proper care can be found...

It is an emergency, temporary, helping hand from a neighbor.

Based on trust of need and trust of the gift.

A one time help through the gift of grocery or gas cards...
enough to make it through a few days until ongoing help can be found.

Village Club is offering help to those in our 5 villages of:
Ocean Park, Nahcotta, Oysterville, Surfside & Klipsan Beach
for as long as our funds hold out.

We will also include contact information for local services with the cards.

Based on trust and need, neighbor to neighbor.

Cards available to pick up at the Ocean Park Resort Office 25904 R Street
