## **PCEMA Begins Hazard Mitigation Plan Update**

The Pacific County Emergency Management Agency is working with Two Rivers Emergency Management to update their multi-jurisdictional hazard mitigation plan under FEMA. The plan, known as the Pacific County Hazard Mitigation Plan, will assess natural hazards' risk and vulnerabilities to the county, municipalities, school districts, and many other organizations and provide recommendations to increase their resiliency.

All residents, businesses, community neighbors, and other interested parties are invited to attend the plan's kick-off meeting. Due to the pandemic and CDC recommendations this meeting will be held virtually on Thursday, April 29<sup>th</sup> at 10:00 AM and additionally at 3:00 PM by Two Rivers Emergency Management and PCEMA.

## **Washington State Resumes use of Johnson & Johnson Vaccine**

On April 24, DOH resumed use of the Johnson & Johnson (J&J) vaccine across the state. This decision was based on recommendations from the U.S. Food and Drug Administration (FDA), the Centers for Disease Control and Prevention (CDC), and the Western States Scientific Safety Review

Workgroup, as well as careful consideration and close review by DOH. Read the full news release [here](#).

---

### **Updated Guidance from DOH**

[COVID-19 Prevention Guidance and Reopening of Water Recreation Facilities in Phases](#) includes new language defining a testing strategy to allow water polo in Phase 3.

---

### **COVID-19 Morbidity and Mortality by Race, Ethnicity, and Age in Washington State.**

This bimonthly report provides an overview of confirmed or probable COVID-19 case, hospitalization, and death rates by race and ethnicity at state and regional levels. It also provides counts and percentages of confirmed or probable cases and hospitalizations by primary language spoken. Read the full April 23 report [here](#).

---

### **Statewide COVID-19 Outbreak Report**

This weekly document provides an overview of reported COVID-19 outbreaks in our state, based on information in DOH's [Washington Disease Reporting System \(WDRS\)](#). Read the full April 21 report [here](#).

---

### **2021 Legislative Sessions Ends with Historic Wins for Climate, COVID Relief**

Gov. Inslee's focus of the 2021 session was "relief, recovery and resilience," and the legislature passed a life-saving \$2.2 billion [COVID-19 relief bill](#), a Working Families Tax Credit, and climate legislation that will both improve public health and increase economic opportunity while fighting the climate crisis. Read the full news release [here](#).

---

### **SBA Announces Official Restaurant Revitalization Fund Application and Guidelines**

The U.S. Small Business Administration (SBA) announced details on application requirements and eligibility for the Restaurant Revitalization Fund (RRF). The restaurant industry has been among the hardest-hit sectors during the economic downturn caused by the COVID-19 pandemic. The American Rescue Plan, signed into law by President Joe Biden, established the \$28.6 billion Restaurant Revitalization Fund at the SBA. Learn more [here](#).

---

### **DCYF Spring 2021 Child Care COVID-19 Grant Portal Open**

To ensure a stable, functional, and flexible child care system that supports providers and families during the COVID-19 pandemic, the Department of Children, Youth, and Families (DCYF) is providing direct support to licensed child care providers to offset increased costs associated with the COVID-19 pandemic and ensure child care services are available to families. All licensed child care providers ready and able to serve children are eligible to apply. Learn more [here](#).
